

ANNO DOMINI 2025

INSTITUTE OF CHRIST THE KING SOVEREIGN PRIEST

« DEUS CARITAS EST ! »

Dear friends,

With the Holy Father having opened the Holy Year, I'm pleased to send you all my best wishes for this important year, which I hope will be full of heavenly graces and blessings.

It is by the side of the manger that we gather on this beautiful Christmas night, where the Blessed Virgin and Saint Joseph invite us to contemplate the Son of God made man.

What does this beautiful Child do? He gives us his Heart full of love, as Pope Francis teaches us in his encyclical *Dilexit nos*: 'Entering into the heart of Christ, we feel loved by a human heart filled with affections and emotions like our own. Jesus' human will freely choose to love us, and that spiritual love is flooded with grace and charity. When we plunge into the depths of his heart, we find ourselves overwhelmed by the immense glory of his infinite love as the eternal Son, which we can no longer separate from his human love.'

Let us adore this Heart, so sacred and so good. Let us confide in Him and implore Him for the Church and the world. In this way, we will become true 'pilgrims of hope'!

Finally, as the encyclical reminds us, let us not neglect to make reparation for all the countless offences committed by men against his ineffable goodness, his generosity and his divinity.

May the love of the Sacred Heart of Jesus extend over the world and bless us all.

Happy Holy Year to all!

M^{sr} Gilles Wach,
Prieur Général.

Community outing of Sister Adorers, around the House of the Eucharistic Heart of Jesus, Switzerland.

The Institute of Christ the King Sovereign Priest is a Society of Apostolic Life of Pontifical Right, composed of secular canons, seminarians, oblates and sisters. The principal patroness of the Institute is Our Lady the Immaculate Conception. It also honours as secondary patrons :

- Saint Benedict, due to the importance given by him to liturgical prayer and the relationship between faith and culture,
- Saint Thomas Aquinas, guide of the intellectual formation of our seminarians,
- Saint Francis de Sales, owing to his spiritual teaching, centred on divine charity and accessible to all.

The goal of the Institute is the glory of God and the sanctification of its priests in the service of the Church and of souls. Its specific end is the diffusion of the reign of Christ in all areas of human life.

The Institute counts more than one hundred and thirty priests and more than one hundred seminarians and twenty oblates. Numerous diocesan priests are affiliated to the Institute and many lay people also make up our spiritual family. Our Sister Adorers, who now number over seventy, support the ministry of our priests by their prayers and sacrifices.

The Institute of Christ the King Sovereign Priest is an apostolic community. Its members work in a variety of contexts, including in parishes and education. They also exercise their apostolate with young people and preach retreats. In all of their endeavours, they seek to promote the vast panoply of supernatural and human values on which Christian civilization was founded.
